Say Hello to Octo

The following images of "Prototype Octo" (Series 0) were created by *DALL-E*, an openAI service for creating art based on the *GPT-3* machine trained model and *CLIP*, a pixel-by-pixel image generator..

Click on any image to see how it was created with *DALL-E*.

*You will see some glitches in Octo,
just like us ...*

Young artists are working on the final art for Octo.

"be curious, be caring"

Octo is ..

Caring

Cares about everyone, no exceptions.

Representative

Lives the selfdriven values & ethos.

Not Perfect

And is OK with that.

Assistance/caffield required.

Build Ideas [7-A]
Student is unable to recognize meaningful information and/or formulate a strong opinion.
Does not offer new ideas during discussions or reflects on different perspectives that exist.

10 SOC tokens will be earned for each skill gained at this level.

Octo says a big thankyou to Chiara for thinking of an Octopus as a representative of the selfdriven values and ethos; "be curious, be caring".

Out of that thought, I was created.

... and thankyou to everyone that has contributed to selfdriven, with curiosity and caring we go further...
